San Francisco DevSecOps Forum 2025

Post-event report | July 14 to July 16, 2025 | San Francisco | hybrid tech event | Venue: Bayview Convention Center

1. Executive summary

The San Francisco DevSecOps Forum 2025 welcomed 1,223 attendees out of 1,535 confirmed registrations (1,640 registrations in total), a show-up rate of 80%. Attendees rated the program 3.86 out of 5 on average, for a net promoter score of -8. 7 sponsors took part; 4 of them met their lead target, and sponsors collected 1,440 leads against a combined target of 1,275. The event cost $441,400 against a budget of $453,000 (-2.6%).

2. Audience

The largest attendee groups were CTO (222), Founder (209), Product Manager (204). Most attendees came from United States (71%), Canada (10%), India (4%).

3. Program highlights

The program ran 42 sessions. The highest-rated sessions were Security with Elena Young (rated 4.67, 31 attendees); DevOps with Sofia Thompson (rated 4.65, 133 attendees); DevOps with Elena Hughes (rated 4.44, 80 attendees). The lowest-rated session was DevOps with Tariq Walsh (rated 2.50). A highlight of the event: the opening keynote drew the largest audience of the event.

4. Venue and operations

The main operational issue was that some attendees on corporate networks could not join breakout rooms. In response, the help desk shared a browser-only link that bypassed the blocked app.

5. Sponsor results

Sponsor	Package	Leads	Target	Attainment
Quillon Security	Title Sponsor	413	360	115%
Vertexa Cloud	Premier Booth	364	230	158%
Harborview Software	Premier Booth	255	230	111%
Kestrel Health	Standard Booth	125	130	96%
Bluefin Software	Standard Booth	119	130	92%
Ironwood Cloud	Standard Booth	90	130	69%
Sablewood Therapeutics	Exhibitor Table	74	65	114%

Sponsor feedback: Quillon Security asked for attendee job titles in the lead export.

6. Lessons learned

Lesson: attendees asked repeatedly for the session slides. Recommendation for the next edition: publish session slides within 24 hours of the event.
