Austin Revenue Ops Conference 2025

Post-event report | July 2 to July 3, 2025 | Austin | hybrid business event | Venue: Lone Star Convention Center

1. Executive summary

The Austin Revenue Ops Conference 2025 welcomed 508 attendees out of 649 confirmed registrations (690 registrations in total), a show-up rate of 78%. Attendees rated the program 3.91 out of 5 on average, for a net promoter score of -2. 11 sponsors took part; 7 of them met their lead target, and sponsors collected 1,200 leads against a combined target of 890. The event cost $163,900 against a budget of $163,000 (+0.6%).

2. Audience

The largest attendee groups were Consultant (92), CFO (90), Sales Director (90). Most attendees came from United States (71%), Canada (12%), India (5%).

3. Program highlights

The program ran 20 sessions. The highest-rated sessions were Finance with Elena Fischer (rated 4.75, 39 attendees); Marketing with Elena Evans (rated 4.57, 37 attendees); Operations with Ben Martin (rated 4.54, 170 attendees). The lowest-rated session was Operations with Farah Chen (rated 2.46). A highlight of the event: a live product demo theater was added and stayed full all day.

4. Venue and operations

The main operational issue was that the streaming platform buffered for about 10 minutes during the opening keynote. In response, production switched to the backup encoder and the keynote recording was published the same day.

5. Sponsor results

Sponsor	Package	Leads	Target	Attainment
Foxglove Partners	Premier Booth	271	95	285%
Meridian Capital	Title Sponsor	246	150	164%
Harborview Software	Premier Booth	122	95	128%
Cedarline Capital	Premier Booth	119	95	125%
Nimbus Cloud	Premier Booth	93	95	98%
Polarion Partners	Premier Booth	93	95	98%
Vertexa Cloud	Premier Booth	76	95	80%
Lumen Cloud	Standard Booth	70	55	127%
Mosaic Press	Standard Booth	57	55	104%

Sablewood Therapeutics	Exhibitor Table	39	30	130%
Juniper Capital	Exhibitor Table	14	30	47%

Sponsor feedback: Lumen Cloud asked to move their demo slot to the morning.

6. Lessons learned

Lesson: technical problems were found only on the first morning. Recommendation for the next edition: run a full technical rehearsal the day before the event.
