Austin Clinical Innovation Congress 2026

Post-event report | May 28 to May 30, 2026 | Austin | hybrid medical event | Venue: Lone Star Convention Center

1. Executive summary

The Austin Clinical Innovation Congress 2026 welcomed 777 attendees out of 999 confirmed registrations (1,095 registrations in total), a show-up rate of 78%. Attendees rated the program 3.79 out of 5 on average, for a net promoter score of -11. 10 sponsors took part; 7 of them met their lead target, and sponsors collected 1,210 leads against a combined target of 1,155. The event cost $256,000 against a budget of $260,000 (-1.5%).

2. Audience

The largest attendee groups were Hospital Administrator (152), Researcher (137), Nurse (129). Most attendees came from United States (57%), Canada (11%), United Kingdom (8%).

3. Program highlights

The program ran 30 sessions. The highest-rated sessions were Research with Zane Garcia (rated 4.50, 120 attendees); Clinical Practice with Isla Varga (rated 4.48, 120 attendees); Patient Care with Nikhil Kowalski (rated 4.45, 50 attendees). The lowest-rated session was Patient Care with Olivia Chen (rated 1.83). A highlight of the event: a live product demo theater was added and stayed full all day.

4. Venue and operations

The main operational issue was that catering ran out of vegetarian lunches on day 1. In response, the caterer increased vegetarian portions by 40% for the remaining days.

5. Sponsor results

Sponsor	Package	Leads	Target	Attainment
Brightpath Security	Title Sponsor	232	240	97%
Polarion Partners	Premier Booth	177	155	114%
Northgate Medical	Premier Booth	168	155	108%
Hollis Security	Premier Booth	165	155	106%
Mosaic Press	Standard Booth	127	90	141%
Halcyon Medical	Standard Booth	97	90	108%
Bluefin Software	Standard Booth	70	90	78%
Granite Learning	Standard Booth	66	90	73%
Tidewater Press	Exhibitor Table	55	45	122%

Sablewood Therapeutics	Exhibitor Table	53	45	118%

Sponsor feedback: Brightpath Security asked to move their demo slot to the morning.

6. Lessons learned

Lesson: technical problems were found only on the first morning. Recommendation for the next edition: run a full technical rehearsal the day before the event.
